FEBRUARY 2012

What If:

God gave out Valentine's candy? What if He sent you love letters, flowers, chocolates, and other sugar filled sweets to remind you of His great love for you?

What do you think the letters would say?

What do you think the candy hearts would have engraved on them?

THE TRUTH IS:

God already has an amazing love story written out for us; but many of us are unfamiliar with it.

We're going to be looking at the amazing examples of how God has shown His love for us, proven time and time again that His love never changes, and learn how to love God in return.

Heart Candy

During the month of February, Lifepoint Youth Ministry will be discussing how God's already provided countless love letters, has sent you thousands of signs that His love is more than enough, and even found ways to write you a love story.

This Valentine's season will not be dominated by cupid or hallmark, but we'll look at Scripture that will show the amazing depths of God's love for us; and learn how to share the good news with others!

Feb 12th:

We'll learn about God's great cost of loving imperfect people, perfectly

Feb 19th:

We'll learn what it looks like to actually love God back

Isn't it worth waiting for? Purity will be the topic for this evening
